Output

The screenshot displays a web browser window with a single tab titled 'Personal information'. The address bar shows the file path 'C:/Users/Benisha/OneDrive/Documents/ben/form.html'. The browser's toolbar includes navigation buttons (back, forward, refresh) and a search bar. Below the toolbar, a row of application shortcuts is visible: Gmail, YouTube, Maps, News, and Translate. The main content area has a light purple background and is titled 'Personal Information' in bold black text. The form consists of four labels with corresponding input fields: 'Name :', 'Age :', 'Qualification :', and 'Email :'. Each label is followed by a white rectangular input box. Below these fields is a 'Submit' button. The Windows taskbar at the bottom shows the system clock as 8:07 pm on 08/10/2022, along with various system icons and a weather widget indicating 26°C and 'Mostly clear'.
